

THANK YOU FOR BEING A **CHAMPION**
FOR OUR OCEAN

friend, your recent gift is already helping protect some of the most unique and vulnerable ocean life on Earth, found right here in Australia’s marine parks.

Thank you for showing up for these precious creatures.

Pacific Leatherback Turtle
The largest turtle on Earth, built to cross entire ocean basins
Your gift is helping make those waters safe again.

Shortfin mako shark
One of the fastest sharks in the ocean, and the most at risk.
Your gift is helping protect them.

Shy albatross
Australia's only endemic albatross, crossing 1,000km daily.
Your gift helps ensure that journey is never cut short.

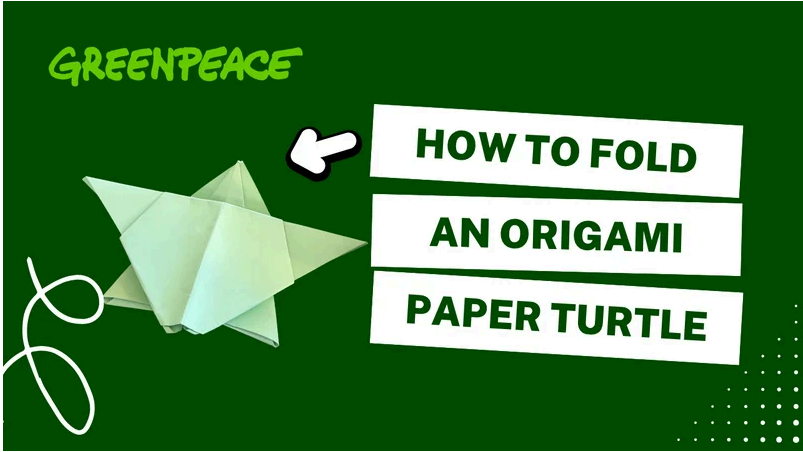

This moment marks a **once-in-a-decade opportunity**, right now the government is reviewing our marine parks.

And now, **thanks to your support**, we can push to expand parks into areas of high biodiversity, remove the loopholes that let extractive industries in, and connect these waters to new ocean sanctuaries beyond our borders.

Together, we can turn the homes of turtles and sharks into the true sanctuaries they were always meant to be.

Explore the marine parks

As a thank you for being a voice for these animals, we’ve created a special origami turtle for you to print, fold, and display.

Fold yours now
