GREENPEACE

You’re part of something special friend.

Thank you for being such an important part of the Greenpeace family. Your support helps protect our oceans, forests, and communities, and we couldn’t do it without you.

As we head into the festive season, we wanted to send you a small token of appreciation, a **free eco-friendly festive guide**, made with love to celebrate the sunny spirit, unique traditions, and natural beauty of the Australia Pacific summer.

This guide was brought to life through a beautiful collaboration with **Sha’an d’Anthes** (aka @furrylittlepeach), a Sydney-based illustrator, artist, and author whose joyful designs remind us why protecting our planet matters so deeply. You can explore more of Sha’an’s stunning work on her website.
